

#### **§ 1485.25**

(1) A MAP Participant may, within 60 days of the date of the compliance report or written notice from CCC, submit a written response to CCC appealing the report or notice. CCC, at its discretion, may extend the period for response.

(2) After review of the Participant's response, CCC shall determine whether the Participant owes any funds to CCC and will inform the Participant in writing of the basis for the determination. CCC will initiate action to collect such amount by providing the Participant a written demand for payment of the debt pursuant to Debt Settlement Policies and Procedures, 7 CFR part 1403.

(3) Within 30 days of the date of the determination, the Participant may request in writing that CCC reconsider the determination and shall submit in writing the basis for such reconsideration. The Participant may also request a hearing.

(4) If the Participant requests a hearing, CCC will set a date and time for the hearing. The hearing will be an informal proceeding. A transcript will not ordinarily be prepared unless the Participant bears the cost of a transcript; however, CCC may in its discretion have a transcript prepared at CCC's expense.

(5) CCC will base its final determination upon information contained in the administrative record. The Participant must exhaust all administrative remedies contained in this section before pursuing judicial review of a determination by CCC.

#### **§ 1485.25 Failure to make required contribution.**

A MAP Participant's required contribution will be specified in the approval letter. If the MAP Participant's required contribution is specified as a dollar amount and the MAP Participant does not make the required contribution, the MAP Participant shall pay to CCC in dollars the difference between the amount actually contributed and the amount specified in the approval letter. If the MAP Participant's required contribution is specified as a percentage of the total amount reimbursed by CCC, the MAP Participant may either return to CCC the amount

of funds reimbursed by CCC to increase its actual contribution percentage to the required level or pay to CCC in dollars the difference between the amount actually contributed and the amount of funds necessary to increase its actual contribution percentage to the required level. A MAP Participant shall remit such payment within six months after the end of its program year. The MAP Participant shall make such payment in U.S. dollars, unless otherwise approved in advance by CCC.

#### **§ 1485.26 Submissions.**

For all permissible methods of delivery, submissions required by this subpart shall be deemed submitted as of the date received by CCC.

#### **§ 1485.27 Disclosure of program information.**

(a) Documents submitted to CCC by MAP Participants are subject to the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, 7 CFR part 1, subpart A—Official Records, and specifically 7 CFR 1.12, Handling Information from a Private Business.

(b) Any research conducted by a MAP Participant pursuant to a MAP program agreement and/or approval letter shall be subject to the provisions relating to intangible property in the applicable parts of this title (e.g., 7 CFR Parts 3015, 3016, and 3019).

#### **§ 1485.28 Ethical conduct.**

(a) A MAP Participant shall conduct its business in accordance with the laws and regulations of the country in which an activity is carried out and in accordance with applicable U.S. Federal, state and local laws, and regulations. A MAP Participant shall conduct its business in the United States in accordance with applicable Federal, state and local laws and regulations. All MAP Participants must comply with the regulations in the applicable parts of this title (e.g., 7 CFR Parts 1485, 3015, 3016, 3018, 3021, 3019, and 3052).

(b) Except for a U.S. agricultural cooperative or a U.S. for-profit entity, neither a MAP Participant nor its affiliates shall make export sales of U.S. agricultural commodities and products

covered under the terms of the applicable MAP agreement. Nor shall such entities charge a fee for facilitating an export sale. A MAP Participant may, however, collect check-off funds and membership fees that are required for membership in the MAP Participant. For the purposes of this paragraph, “affiliate” means any partnership, association, company, corporation, trust, or any other such party in which the Participant has an investment other than in a mutual fund.

(c) A MAP Participant shall not limit participation in its MAP activities to members of its organization. Participants shall ensure that their MAP-funded programs and activities are open to all otherwise qualified individuals and entities on an equal basis and without regard to any non-merit factors. The MAP Participant shall publicize its program and make participation possible for commercial entities throughout the relevant commodity sector or, in the case of SRTGs, throughout the corresponding region. This includes providing to such commercial entities, upon request, a copy of any document in its possession or control containing market information developed and produced under the terms of its MAP agreement. The Participant may charge a fee not to exceed the costs for assembling, duplicating and distributing the materials. This paragraph does not apply to U.S. agricultural cooperatives when implementing their own brand program.

(d) A MAP Participant shall select U.S. agricultural industry representatives to participate in generic MAP activities such as trade teams, sales teams, and trade fairs based on criteria that ensure participation on an equitable basis by a broad cross section of the U.S. industry. If requested by CCC, a MAP Participant shall submit such selection criteria to CCC for approval.

(e) All MAP Participants should endeavor to ensure fair and accurate fact-based advertising. Deceptive or misleading promotions may result in cancellation or termination of a Participant’s MAP agreement and the recovery of CCC funds related to such promotions from the Participant.

(f) The MAP Participant must report any actions or circumstances that may

have a bearing on the propriety of its MAP program to the appropriate Attaché/Counselor, and its U.S. office shall report such actions or circumstances in writing to CCC.

#### § 1485.29 Contracting procedures.

(a) Neither CCC nor any other agency of the U.S. Government nor any official or employee of CCC, FAS, USDA, or the U.S. Government has any obligation or responsibility with respect to MAP Participant contracts with third parties.

(b) A MAP Participant shall comply with the procurement standards set forth below and in the applicable parts of this title when procuring goods and services and when engaging in construction to implement program agreements (e.g., 7 CFR Parts 3015, 3016, and 3019). For purposes of this subpart, the “small purchase threshold” referenced in 7 CFR part 3019 is the “simplified acquisition threshold” established by 41 U.S.C. 134.

(c) Each MAP Participant shall establish contracting procedures for contracts that are funded, in whole or in part, with MAP funds that are open, fair, and competitive.

(d) Each MAP Participant shall submit to CCC, for CCC approval, written contracting guidelines for contracts that are funded, in whole or in part, with MAP funds. CCC will notify all new and existing MAP Participants in writing in each Participant’s annual approval letter and through the FAS web site as to applicable submission dates for and dates for approvals of contracting guidelines. CCC’s approval of such contracting guidelines will remain in place until CCC retracts its approval in writing, or until new guidelines are approved that supersede them. Once approved by CCC, these contracting guidelines shall govern all of a Participant’s MAP-funded contracting involving contracts with an annual value of \$35,000 or more. CCC may determine a different minimum value and announce that minimum value in writing to all MAP Participants via a MAP notice issued on the FAS Web site. The guidelines shall indicate the method for evaluating proposals received for all contract competitions, the method for monitoring
